## Accessories

### TYPE 16 ALLOY frontal protection bar

The stylish and sporty Type 16 Grille Guard is manufactured from 76mm & 45mm diameter aluminium tube, is brightly polished, and fits neatly over the existing front bumper. It includes provision for mounting driving lights.

### TYPE 5 Alloy Grille Guard

This lightweight bar is fitted over the original bumper and offers great sports styling while still offering full protection for the original bumper and grille. Made from aluminium & then highly polished the Type 5 includes driving light mounting points.

### Stainless Steel Tube Steps

TJM Stainless Steps are made from the highest quality T304 Stainless with a quality polished finish. Not only do they look great but with the inbuilt step tread they are a functional accessory that helps you enter and exit the vehicle and protect the sills of the vehicle.
